SUBURBAN CONSULTING ENGINEERS, INC.**

INTENT

Arm and Hammer Park is owned by the County of Mercer and The Mercer County Park Commission. This 8,000 seat ball park situated on the Delaware River is home to the Trenton Thunder Baseball Team, AA Minor League affiliate of the New York Yankees. The Mercer County Park Commission requests bids for replacement of the field lighting system at Mercer County Arm & Hammer Park. The proposed field lighting system must be a proven energy efficient system that will meet and maintain the required light levels as set forth by Minor League Baseball of 100/70 foot candles on the infield and outfield playing surface. It is highly recommended that all bidders schedule a site visit to ensure product compatibility with the existing electrical system and existing light poles. Contact Joseph Pizza to schedule a site visit at 609 303 0709.

SCOPE OF WORK

Secure and coordinate the delivery of all lighting system materials to the site. Oversee and coordinate stripping the existing light fixtures, brackets, ballasts and all associated wiring from the existing light poles. Oversee and supervise the proper installation of the new lighting system. Including but not limited to all testing, balancing and adjusting to ensure constant light levels of 100/70 foot candles on the infield and outfield playing surface.
